

Olivia Fortson

Olivia Fortson is the Social Editor of the Charlotte Observer newspaper and SouthPark magazine. A native of Spartanburg, S.C., she's a graduate of Queens University of Charlotte. She is a self-taught artist who enjoys painting for fun because it's a break from writing that allows her to express her love of color. It's also a form of praise for the natural beauty that surrounds us. Her favorite subjects to paint are landscapes, flowers and animals.
